Profile

Web developer and UI/UX designer with 12+ years of experience in digital media and client-focused creative work. I create clean, modern, and user-centered web products with a strong blend of design and technical skills.

Experience

FOUNDER & OWNER | ICY MEDIA | WARSAW, POLAND | – 2022-PRESENT

At ICY Media I produced digital content for small businesses, including video ads, social media campaigns, photography, and web design. I handled filming, editing in DaVinci Resolve Studio, and creating branding assets for online marketing.

ENGLISH TEACHER (NATIVE SPEAKER) | HISCHOOL, LINGO ACADEMY, INCY WINCY, CKJ | JANKI, PIIASECZNO & JÓZEFOSŁAW | 2019-2024

Taught English across high schools, language academies, summer camps, and kindergartens, delivering individual and group lessons for learners of all ages. Focus areas included exam preparation, conversational English, and practical communication skills, along with creative, play-based learning and art activities for younger students.

FREELANCE WEB DEVELOPER – 2023-PRESENT

As a freelance web developer, I design and build modern, user-focused websites and online stores. My work includes brand development, UI/UX design, and full website builds for clients such as Pure Water and Manufaktura Pigwowca, including logo creation, product photography, and setting up fully functional e-commerce systems.
